West Coast Swing & Wally WORKSHOP & DANCE

SKILL LEVELS

Each session will begin with two levels of learning on the dance floor:

Are you new to dance or need a review of the basics?

The *Beginners Level* will give you a foundation for the dance.

If you are comfortable with the basics, the *Intermediate Level* will teach you a new step to dance.

Once this is complete, the entire group will come together to learn a second dance step.
